

TRAINING PHILOSOPHY

Training, education and development of the Army Civilian Corps is crucial to sustaining a mission-ready Army. Like Soldiers, Civilian employees must be adaptable leaders who are agile, capable, proficient professionals totally committed to supporting Army objectives. Army Civilians are guided by the Civilian Corps Creed, which embodies the Army Values. These values unify Army Civilians with those in uniform and are the basis of the trust the American people have in its Army.

Army Civilian Corps

Adaptable – Agile – Capable – Proficient

MISSION

Ensure the Army provides training, education and operational experiences to develop leader competencies and enhance functional and technical capabilities of the Army Civilian Corps in support of the Army Mission.

U.S. ARMY

**Army Strong...
Army Civilian Strong!**

ABOUT US

The G-37/Civilian Training and Leader Development Division is responsible for providing the policy, resourcing and programming for the Army's training and leader development programs. These programs and initiatives are key ensure the continued professional and technical development of the Army Civilian Corps of more than 320,000 employees so they can more effectively support the Army's key missions.

DAMO-TRV manages a strategic planning program that provides a central focus for the enterprise management of all facets of the Army G-37/Training Directorate's Civilian programs and supports the accomplishment of program goals and objectives by integrating them into the G-37 long-range mission and the Army Campaign Plan.

Additionally, we provide current information about training and course offerings to Army Command and Career Program representatives for the Army's Civilian workforce and develop and implement new programs and initiatives to meet Congressional and OSD directives.

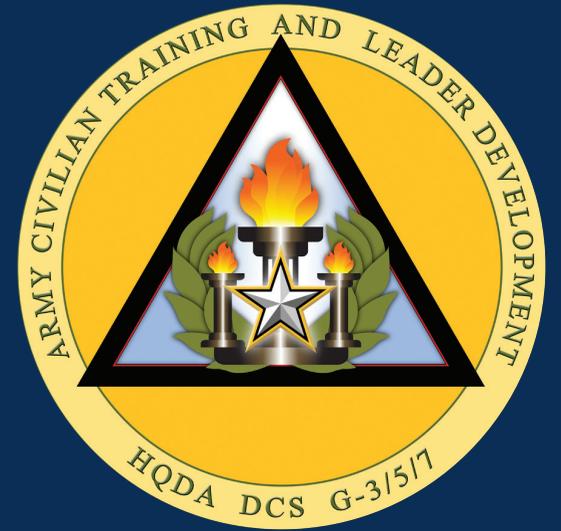

Please visit our website for details on course offerings, and to learn how you can take advantage of all the Army has to offer!
