

# HQDA DCS G-37/DAMO-TRV

## Civilian Training and Leader Development Division

**Ms. Vicki A. Brown**  
**Chief, Civilian Training and Leader Development Division**  
Develop and coordinate policies and strategies, validate requirements, and provide resources that ensure the Army provides training, education and operational experiences to develop leader competencies and enhance functional and technical capabilities and competencies of the Army Civilian Corps in support of the Army Mission.

**Ms. Ruth Ann Gurr**  
**Deputy Chief, Civilian Training and Leader Development Division**  
Responsible for the Division's Administration and Management. Provides oversight of training and leader development policy and coordination strategic initiatives.

**Strategic Plans**  
Responsible for synchronizing TRV Mission, Vision, and Doctrine with high level Army initiatives and plans to ensure alignment with DoD Directives and Federal Laws.

**Leader Development Policy Team**  
Responsible for Army-wide Civilian Leader Development policies and programs that are in alignment to DoD policies and support the deliberate development of highly skilled civilian leaders who are well prepared to lead and excel in a joint, total force environment.

**Competitive Professional Development Policy Team**  
Responsible for Army-wide Professional Development policy and programs which include Competitive Programs and Functional/Occupational Training. The team provides systematic and coordinated programs of professional development that support organizational goals.

**TRV Budget and Resource Team**  
Responsible for providing policy and resources for the Training Program Evaluation Group (PEG) and Planning, Programming, Budgeting System (PPBS) to include formulating and recommending program policy, managing program activities, coordinating program execution and providing budget oversight.

**Technology, Marketing and Awareness**  
Responsible for technological enhancement to develop a Army Civilian Enterprise Training Management Portfolio to support the TRV mission. Provide marketing and awareness through strategic communications to educate and inform Army Civilians and Military Cohort on the opportunities available. **Systems include: ACT, GoArmyEd, CHRTAS, and the Civilian Training and Leader Development Website.**
